## Interested in Down Payment Assistance to Buy a Home?

CUHSD is always on the lookout for innovative ways to help staff members find housing in this expensive region. One of these solutions is a **down payment assistance fund** for staff. The benefit, managed by local Bay Area company Landed ([landed.com](https://landed.com)), **provides half of a staff members down payment up to \$120,000**. To be eligible for the benefit, participants must be at least 0.5 FTE and be a permanent employee of the district.
